

State Highway 146 Subregional Study

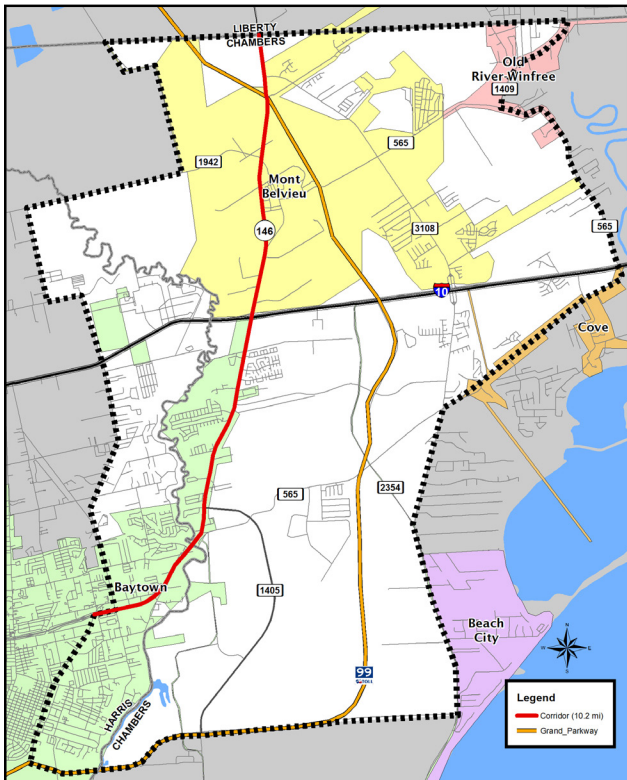

Local citizens, business owners and elected officials are invited to attend a public meeting on the SH 146 Subregional Study.

State Highway 146 (SH 146) is an important regional corridor which serves as a major north-south thoroughfare, freight corridor and hurricane evacuation route. Baytown, Mont Belvieu, H-GAC and TxDOT are working together to identify and analyze the mobility issues in the study area. The study will result in recommendations to address the mobility issues identified during the public outreach portion of the study.

The goal of this meeting is to receive input on the mobility issues in the study area.
